CAMEO
Shooting and Education Complex

September 22-24

Welcome Shooters

To the 2022 IDPA National Championship presented by Beretta. Let our sponsors know that you appreciate their generous support!

A Message From The Match Director

I am honored to welcome all of you to the 2022 IDPA National Championship presented by Beretta. This year we will be back at the world-class Cameo Shooting and Education Complex in Grand Junction, Colorado.

Our match sponsors, including our title sponsor Beretta, have come out in force to support a great match for you all. Please set aside some time to visit their booths and bays to show appreciation for their support in our sport.

Like last year, we are still experiencing ammo shortages, but thankfully Cameo has made ammo available for purchase. This ammo is no different than if purchased from any other vendor and it is up to the shooter to make power factor. We do realize that you are purchasing ammo new to you, and we will have chrono available for testing before your match starts. We welcome any shooter concerned about passing any part of equipment check to swing by the Equipment Check in bay 19 before their squad time to verify legality of their equipment.

This year's match will include all 8 divisions in one match under the new rulebook. Obvious major changes are SSP getting to shoot a few extra rounds before reloading. And that major change everyone has asked for as long as I have been shooting IDPA, dropping empty magazines without penalty. This rule in particular is going to allow greater freedom in stage plans. And for those stage plans, we will have 14 full stages in addition to a small warm up to begin the match. We will also run the warm up again at the end of the match so shooters can compare their cold and warm times to the same drill.

With the number of shooters we have to run through with each Nationals match, we have to keep certain aspects on schedule. If a call is questioned, the CSO will immediately contact an MD to address the call. Excluding a challenge to steel, the stage will be reset and the next shooter will shoot. The call in question will be dealt with offline to avoid delaying the match or affecting shooter flow. In the event of a challenge, the run will be scored and entered into the tablet as called by the CSO and then reviewed by the MD. Corrections will only be done by an MD. Though we will push the squad to reset quickly and be ready to shoot, the SOs will give you ample time to prepare yourself for each stage. You will also be given the opportunity to follow the score keeper to see each target as it is scored.

Also, please remember that unless you are the on-deck shooter or have just completed shooting the stage, you are expected to help with stage reset including pasting of targets.

Lastly, I hope you have fun and enjoy your match. When posting videos or photos, it would be awesome if you could tag them with the hashtag of #IDPANats22. I look forward to seeing everyone in Colorado on the range.

Seth Hayden, Match Director
2022 IDPA National Championship Presented by Beretta

A Message From Joyce

Welcome to the 2022 IDPA National Championship Presented by Beretta! We are so happy to have you here with us for what promises to be a great match. As we have watched prices for gas, food, and travel climb to an unprecedented high, we realize that there are many competing priorities for your disposable income, and we are grateful that you chose to join us here at Cameo.

This match has been borne of much hard work, especially by Match Director Seth Hayden and his Assistant Match Directors, Frank Strong and Noel Gardner. Stage designs and meetings began for them in November of 2021 (they had a whole month off to recover from last year's event!) and I am excited for all of you to shoot the stages and have fun with them.

We are especially grateful to our event sponsor, Beretta, for their patronage and support of our sport and our National Championship.

Many thanks are also deserved by the Cameo Shooting and Education Complex for their work with us and the staff and volunteer resources Walt Proulx provides. And finally, please show some love to our sponsors. Like you, they have a choice to make regarding how they spend their sponsorship dollars, and we are thankful that they spend them with us.

At Headquarters, we make every effort to stay abreast of any political situation that can affect where we hold our match; however, if plans are already in full swing, we cannot always move the match on short notice. Contracts for hotels, banquet venue, caterers, etc. are signed nearly 12-18 months in advance; stages are designed based on bay size and prop availability of the host range. In order to maintain the quality of our event for our members, we made the decision to remain at Cameo this year.

In the 3rd quarter issue of the IDPA Tactical Journal, I asked long-time friend and Founder, John Sayle, to provide some insights on things we need to consider while voting in the mid-terms this fall. With those elections just around the corner, remember to get out and VOTE for the candidates who support your Second Amendment rights. Do your homework and find out who these candidates are, and work diligently through your vote and your advocacy to elect them. All around us we are seeing our rights as gun owners shrink. Let's not let that happen on our watch.

Next year, we will see you at the CMP Talladega Marksmanship Park in Alabama, Thursday – Saturday, Sept. 28 – 30, 2023. MD Frank Strong and his crew, AMDs Noel Gardner and Brent Sizemore will be entertaining you with clever stages and challenges.

Stay safe, shoot straight, and thanks for joining us.

Joyce L. Wilk

MATCH INFORMATION

THIS INFORMATION IS YOUR RESPONSIBILITY TO READ AND UNDERSTAND. IF YOU HAVE ANY QUESTIONS, BRING THEM UP AT YOUR SHOOTER'S MEETING OR CONTACT THE MATCH DIRECTOR.

Rules

The rules followed in this match are the IDPA Rules as found in the IDPA Official Rulebook, effective June 1, 2022.

Cold Range

Firearms may only be loaded on the firing line, under SO supervision. Off the line, your gun must be unloaded at all times. It must be holstered or cased unless you are in a Safety Area. You may case, uncase, and holster your gun only in the Safety Areas, NOT ON THE LINE. Maintain a safe muzzle direction at all times!

Muzzle Safe Point

Muzzle safe points will be indicated.

Alcohol and Drugs

Are prohibited on the range.

Target Pasting and Safety Officer Assistance

It is **EVERY** competitor's responsibility to assist the safety officers in any way to reset stages. Shooters can paste at least as many holes as they punch in the targets. Please, everyone help the SOs out.

Holster and Magazine Pouch Belt Locations

It will be the competitor's responsibility to assure that their holster and magazine pouches are worn in an appropriate location per IDPA rules. If a safety officer has asked you to move your equipment to comply with IDPA rules before shooting their stage, they will mark your score sheet accordingly. If you have more than one score sheet marked, you will be assessed a 3 second procedural penalty for each additional mark.

Schedule

You are expected to show up for meetings and to shoot at your scheduled time and remain with your squad until all stages are completed.

Safety Areas

All Safety Areas are marked by Safety Area signs. You may case, uncase, and holster your firearm only in the Safety Areas, NOT ON THE LINE. No handling ammunition in any Safety Area.

Loading to Division Capacity

Unless the course of fire requires otherwise, all divisions will load to maximum capacity prior to each string of fire. PCC division capacity will be limited to 15 rounds.

MATCH INFORMATION

Nametags

Keep your nametag with you so you can eat lunch and attend the Awards Banquet Dinner. If you plan to bring a guest to the banquet a ticket must be prepurchased.

Brass

This is a lost brass match.

Course Walk Through

No individual stage walk throughs will be permitted. Each squad will be given a complete verbal description of the course of fire by the safety officers. However, it will be the competitors responsibility to read and understand the course of fire prior to their squadded shooting time.

PCC

Uncased PCC is carried muzzle down with chamber flag and bolt engaged.

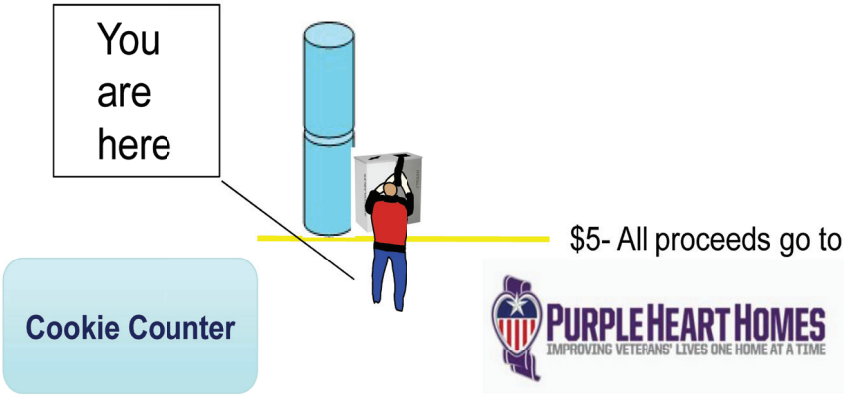
CONCEALMENT: Required



Everyone has been on social media the past few months demonstrating their prowess in firing the 40 yard challenge on their own range at their own leisure.

It is time to see your performance on the clock, with all your friends standing behind you to witness your Hero to Zero status at the IDPA National Championship this September in Colorado.

IDPA has set up an opportunity as a Side Match to benefit the military charity Purple Heart Homes. For a $5 donation, you can enhance your reputation by earning the 40 yards National Challenge Coin awarded on the spot by one of our Regional AC coordinators that are running the side match.

The 40 yard National Challenge will be set up on Bay 18 and scored as a single-string Limited stage with a 15-second par time. Any shots that are taken after the elapsed par time will be scored as an extra shot using Limited scoring.

The results of the side match will be announced at the awards banquet along with the title of Top Shooter for the event.
